## IFHTSE: 43RD ASSEMBLY OF THE GOVERNING COUNCIL

The 43rd Assembly of the Governing Council (i.e. the annual Assembly of the member organisations, Executive Committee members, Auditors, committee and project leaders, etc.) takes place in Munich Germany on 12 May, just before the opening of the 21st IFHTSE Congress / 2014 European Conference

Where voting is necessary, decisions are taken by simple majority of those members represented in person or by proxy; only members whose annual subscriptions were in order as at 31 December 2013 may vote.

IFHTSE Assemblies are open, and observers from organisations in countries which do not have membership at present are welcome. However, space is limited and anyone not directly invited but wanting to attend, or wanting to see the full version of the Agenda should inform the Secretary ([robert.wood@ifhtse.org](mailto:robert.wood@ifhtse.org)) urgently
