Bulletin 2021 / 07

December 2021 no. 82

- Goodbye from IFHTSE President
Eva Troell
- Forthcoming Conferences

Season's greetings

and a happy new year 2022!

Dear colleagues and friends,

now 2021 is coming to its end and it is time for a look back to the past two years which were my time of IFHTSE President. Although they were heavily impacted by the corona pandemic, it has been a pleasure to see in this second year 2021 that some conferences have still been able to take place

thanks to the digital solutions. Others had to be re-planned and moved forward in time.

Despite the new possibilities provided by the digital format, my hope is that 2022 will be the year when we all can travel and meet in person again. Please have a look at the programme for forthcoming conferences at the end of this bulletin. We have a lot to look forward to!

I thank all IFHTSE officials and friends for their support during my Presidency and wish the next IFHTSE President Prof. Masahiro Okumiya a successful work in a more prosperous environment!

Wishing you all happy holidays and all the best for the coming year,

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'K. S. Inell'.

President of IFHTSE

Forthcoming Conferences

All member associations are invited to submit their conferences in English language to be featured here!
