**Note:**

Enterprises pay the membership fee for small companies if they fulfill **both** of the following two criteria:

1. headcount < 250 **and**
2. turnover ≤ € 50 million € **or** balance sheet ≤ € 43 million €.

These ceilings apply to the figures for independent, individual firms only. A firm that is part of a larger group needs to include staff headcount/turnover/balance sheet data from that group too.

The above-named company hereby applies for membership in the International Federation for Heat Treatment and Surface Engineering and agrees to pay the annual subscriptions on receipt of invoice until further notice.
