6th Asian Conference on Heat Treatment and Surface Engineering

March 05-07, 2020

Chennai Trade Centre, Chennai, India

<http://www.6achtse.com>

The three-day 6th Asian Conference on Heat Treatment and Surface Engineering will host about 500+ delegates from India and abroad. More than 150+ high quality technical papers are expected to be presented at the conference. Over 70+ exhibitors are expected to participate in the Expo and 5000+ business visitors are expected for the conference and expo.

The event includes various plenary and keynote speakers from various parts of the world. The event will be co-organized and sponsored by leading industries, companies, government organizations and professional associations from India and abroad. There will be a Workshop series on the theme of advanced materials, special heat treatments and innovative surface treatments.

Chennai is the capital of Tamil Nadu and is India's fourth largest metropolitan city. Chennai has a diversified economic base covering sectors like automobile, light engineering, defense, space, nuclear, etc. Chennai is the automotive capital of India and is often referred to as the Detroit of Asia with major auto-mobile giants having their manufacturing hub here. Chennai is well connected within India and also abroad.

Chennai is a journey into timeless India, a kaleidoscope of moods, rich in treasures of history, from temples and shrines to forts and palaces, the landscape of the past merging easily with the present retaining much of its traditional charm, this 350 year old city is the gateway to south India. The Government Museum, the Kapaleeshwar temple, the Parthasarathy temple, and Marina Beach are some of the many sights in Chennai.

All member associations are invited to submit their conferences in English language to be featured here!
